**RE:** **Extension of Sole Source Designation**

Request that your Sole Source Designation for Northrop Grumman Space and Mission Systems dated March 24, 2003 to upgrade the CAD and Wireless E-911 System be extended to cover the installation of the new Mobile Data Radio System at Hartsfield Atlanta International Airport for the Atlanta Fire Department.

The rationale remains the same and Northrop Grumman is uniquely qualified to install the new system. A copy of the proposed resolution is attached. If you should have any questions, please contact me at extension 6414.
